“ *I just heard the sad news today from my sister (Marie) via my brother Jim who heard from a Jasper friend. It just can't be. Even though I didn't get through Jasper often, I always visited Evelyn any time I did. It was always such a great pleasure to see her and hear her gentle laughter. She was such an easy audience; anything I said could make her laugh. I will always remember the time spent on the back porch swing with Maurice and her. I remember my fascination with her 4 o'clock flowers. I don't know how many times she gave me seeds to try to plant my own. Never did work. She had a special relationship with flowers as did Caryl, her good friend and neighbor for years. Evelyn became my adopted mother for years following the death of my mother. She helped me through many hard times and I shared "her" grand-kids with her. I do wish I could have seen her just one more time. There will never be another Evelyn in my life. She truly is irreplaceable. But now the old neighbors are together again... "Tony" as she called by Dad, Caryl, Maurice and of course Evelyn...possibly on one our front porches watching the traffic on Mill Street as they go to the Calumet on Saturday night...traveling too fast as usual.*
