“ *Fernanda was a young girl full of life! I enjoyed having her at our home and watching her grow up w my daughter, Chelsie Weaver. They were both hearing impaired and watching them learn and grow together was such a joy! Fernanda was beautiful inside and out. My prayers go out to her family and her husband's family!* ”

“ *Such a sweet young woman with the desire to learn and grow. I always looked for her when I went to the bank because she didn't dread my "difficult " transactions but welcomed them as an opportunity for growth. My heart is so sad for her family and friends. She was a beautiful person and she will be missed but remembered with a smile.* ”

“*I was Fernanda’s interpreter during her preschool and kindergarten years, as well as her fifth grade year. It didn’t take her anytime to dig her way into your heart. She had a great sense of humor even at a young age. I don’t think a day went by without her making me smile, if not laugh. When I was going through some health problems she always wanted to jump in and protect me. Her heart was so big. I will miss her. Wences, Yessica, and Jaffet you are in my thoughts and prayers.*
