“ Dear Stenftenagel family,

we are so sorry about the loss of your mother and grandmother.

We know you loved her so much.

And we have wonderful memories when we visited Jim and Flo in Florida or in Jasper or when they visited us in Germany.

They both were always so incredibly nice and so uncomplicated like our american mom and dad.

We always had a lot of fun with them and very good times together and we also like to remember the many phone calls we had with Flora and Jim across the ocean.

Even though we are far away, we are thinking about you and pray for Flora.
