“ Please accept our deepest condolences and sympathy in this time of bereavement. Unfortunately, we will not be able to attend the funeral. Frances was especially good to us. Many times when we were kids she walked us up the ally from Grandma's home on Mill Street to get us an ice cream. She also gave me her Jasper High School letter jacket after she finished HS. I wore it to Tipton where I detasseled corn in 42 or 43 and had it stolen from me while we were watching out door movies on the wall of the tall white concrete building there as you come into town. Naomi also visited her a lot while I was stationed in Japan in 1953 and 1954. She was a good women and I know you are proud of her and will miss her very much. We send our very best to you and wish you all much health and happiness. God Bless each of you. Leon and Naomi Lehmkuhler
