“ *Mom it has been 16 months since you left this Earth. You will have a birthday this week and I will wish you a Happy Birthday! I talk to you everyday and I miss seeing you, miss I can't call you on the phone and hear your voice. Dad had his battery changed in his pacemaker so I reckon it may be awhile before he comes to see you. Keep the home fires burning!*

“ *Mom it has been 9 weeks now and still so unreal. Your grass is growing nicely on your plot. I know you are not there but it still comforts me to go there. You have pretty flowers which you see from above. Know you are always in my heart! I love you Mom. The Best Mom in the whole world and God gave you to me!!*

“ Pat and Family - My prayers are with you and your family. Your Mom is now in heaven watching over Jason. A ship sails away and we see it no more, But we know it is going to some other shore. Our dear ones pass on and we see them no more, But we know they are waiting on some other shore. - Helen Steiner Rice

I will thank God everyday for giving me you as a Mother. You lived your faith everyday and demonstrated to us how to be Godly wives and mothers. Thank you for your example!! I love you!
