“ A favorite , Uncle Francis inspired me my entire life as a man that always had his priorities in proper order. His wonderful family was always paramount in his thoughts and deeds and his hard work speaks for itself. I will forever miss that knowing glint in his eyes without a doubt a life well lived. Our deepest condolences.

May the road rise to meet you, May the wind be always at your back. May the sun shine warm upon your face, The rains fall soft upon your fields.

“ Sara and I rented from him for about 10 years. The memory that sticks with me is whenever I'd see his truck I would go outside and we would talk or "shoot the bull". I think I probably made him late for dinner on numerous occasions. Sara and I will truly miss him .
