“ My dad taught me at a very young age to help those in need, wherever you are. Always be grateful for what you do have and never complain always be thankful. My dad has helped so many people, some he even pulled out of a burning car, that he saw while driving a semi truck for Roadway Express! Dad taught other drivers how to pull double trailers and even triple trailers while driving over two million miles accident free! My dad was my teacher, hero, protector and best friend. I pray the Lord God will love him as much as I do now and forever. Thank you daddy for being my dad and my best friend! I'll see you on the other side. Xoxo Mary Beth

“ Donna, my sympathy to you and your family. Doug certainly enjoyed life, it was always a pleasure being around him, the cross he carved years ago still hangs in my office!
