“ Charlotte, Chris, & Mark, Remembering the long bus rides to school. Fred was always joking around to make the trip a 'little lighter'. May you cherish the memories you made.

“ My mentor/my friend, there was no one like Fred. When no one else would take the time or have the patience, he taught me so much while working at Kimball. He made my day with his funny wit. Honestly, he made it a joy to come to work. He always said he didn't mind to help as long as I shared the knowledge, and I did. Fred touched more people than he knew by his good works. This picture is so perfect... exactly Fred... Always smiling, and he made it contagious! We'll all be dancing when we rejoin our dear friend.

“ I loved this man. He was always there for me at Kimball, He was the one that showed me how to do programming in TIF and never got mad at me when I didn't pick it up. What a sense of humor, even when I had to ask him to tell me again because I didn't understand what he said. He would ask me if I had a hearing impediment since he has a speech one..Cracked my up everytime. We were together on laptops when 9/11 happened and he helped so much on that day for me. Charlotte, you are in my heart and prayers, loved doing the lunches when we would get together at Heichelbech's. Chris and Mark, you have a wonderful Dad. He loved you guys and the grandkids where his life. The world will be sadder since he is gone but I am sure he is having a ball in heaven. With all my love to all of you.
