“ *There are way too many memories for me to share, but most of my memories were of us spending most evenings on the water at a local farm pond fishing for pan fish. I cannot thank my Grandma enough for allowing me to spend many Summer's with her and my Grandpa. I will never forget the unconditional love she showed me and the happiness she brought to so many other people. She will be missed for many reasons by a lot of people. I love you Grandma and please tell Grandpa hello for me.*
