Fern will be missed greatly by all of us who knew her. She always had a smile and a kind word every time we saw her. Sympathy to her family, and prayers of comfort

“ My memories of Fern were during the times we would stay with them for a week or two during the summer. She already was busy with her own family but what’s two more! She was up early preparing meals and up late cleaning up after us. But we always had a time in the evening of sitting around and talking. She would laugh and giggle with us silly girls. She walked us to Vincent Church on Sundays and supported us when we would “sing” for the congregation. Fern had a hard life at times, but I always saw her wearing that beautiful smile. That’s a gift God gave her and that is how I remember her.

“ Sorry for your loss! Fern is definitely with the angels in heaven. Tony we had fun times at the old tri-level house! Sneaking into the woods behind the house and smoking cigarettes u took from ur dad, then coming back to the house and ur mom giving us that look of what have u boys been up to now. Put ur faith in God and he will guide you during this time of grieving.
