“ *Judy-  
I am so sorry to hear about your Mother. She and your dad were always special people to me. When the Lord calls a loved one home He leaves a gift of memories in exchange. Hold on to your memories and let them sustain you during this time of sadness. I will try to make it up for the funeral but have had health problems and might not be able to get there. Be assured of my love and prayers. Joy Atkins*

“ Dear Judy,

*You and all of your loved ones are in my thoughts and prayers as you go through this most difficult time, the death of your Mother. Your Mother is remembered as a kind and gentle woman, always with her beautiful smile. We had good times over the years while visiting there. As teenagers we always had wonderful treats and fun things to do. Those times are cherished and have wonderful memories even with the years that have gone by. Take care, if anything is needed, please do not hesitate to ask. Love,  
Joan*
