“ *George Timothy and I will miss you more than words can say. We would have loved to have come to your viewing that was held Monday but we didn't hear about it until about an hour ago. There are things that can't be between away from me and that's the memories we made for over 18 years plus... You have an Amazing family that will miss you dearly. We LOVE you! I have caught myself many times picking up the phone to call you as we did quite often. You WILL always have a place in my heart* ❤️
