“ *What a blessing it was tonight to meet up with an old friend, Bud’s daughter, Heather! I’m so blessed to have worked with her in the past. We’ve shared our love of our faith in our past meetings but tonight was extremely special as she shared with me about the passing of her dad at 11:16. I’m grateful for this gift, to have met her husband, and seen her sons as well! My prayers continue for the family; especially comfort prayers fir mom Donna, special intention prayers for dear Heather. May all of the family rejoice in knowing Bud’s dementia, with which he battled for far too long, has now ended. And he can enjoy the eternal reward of heaven which his place was set aside for him through his baptism. May he continue to praise God in His Glory while he looks upon his family with prayer, hope, joy, and love for eternity. Amen.*
