“ Mike and I wish to express our sincere sympathy to Tom and Mary and the whole loving family of Jeanne. She sure raise some very special adults! Through my job I would see a client at St. Charles Senior Center and Donnie would visit her everyday and wheel her around the halls. At first she would not smile much but as the days went by I was so excited to see her smile when I would greet her. It sure made my day! God bless u all with wonderful memories of your loving mother and may God grant you all with peace knowing she is in the loving arms of God and that one day u all will be together again.
