“ *I want to express my sincere sympathy for the loss of your loved one and share the hope promised in the Bible. God has set a day in which he purposes to judge the inhabited earth in righteousness by a man whom he has appointed, and he has furnished a guarantee to all men in that he has resurrected him from the dead. (Acts 17:31) If your heart yearns to see a loved one again, study the Bible to make this resurrection hope your very own.*

“ Dear Uncle Woody.
Thank you so very much for your support to Sonja and me over the years. While we could not spend as much time with you and the family, as we have wished, we knew, and know in our hearts now, that you will always remain there for us. We could always count on you for a kind word of support, no matter what you were going through. It is, and continues to be very clear, that you cared deeply for Sonja and me, as well as all of those around you. I am eternally grateful that your unwavering and kind support for Soldiers and their Families always came shining through. Thanks for having our backs at home in the United States Uncle Woody. God's Speed to and eternal Blessings in your new home.

Yours sincerely and always,
Lieutenant Colonel, Retired, Robert McCaslin
and Mrs. Sonja McCaslin
Your family and friends from Heidelberg. Germany.

“ *Our deepest sympathies to all. Loss of a loved one is never easy, but now is the time to put your faith in the Lord and know that he is with you. And know that you have the support of family, always. Times like this that all families need to think about how precious family is, today is here and tomorrow is not promised. We are here for you, always!!*
