“ Gerald was a peer in many ways. He was one of the finest, hardest working and most common-sense professionals I had the pleasure of working with during my career. In addition, he was a good friend and confidant when needed. He will be missed by many. May he rest in peace and enjoy his heavenly journeys.

“ To Joan and family, you are in our prayers and you have our deepest sympathies on the passing of Gerald, your husband and your father. My associations with Gerald in his professional capacities were always very special and meaningful. He always had time and compassion for your needs and was willing to give you his all to find your solutions. I was very fortunate to know his father during his short time on this earth, and Gerald was a great example of what his father was to us all during his short tenure. May God bless you all during this challenging moment, and may memories be a lasting positive reward as you remember him after you give him back to his creator, and his God.

“ Gerald was my cousin on my Mom’s side. He is one of the most genuine people I have ever met. I have always had great respect and admiration for my cousin. As some of you know, Gerald lost his father at a very young age. His childhood was not easy but I never heard Gerald complain. Gerald had a successful professional career, was happily married to an amazing woman, raised two wonderful children, was active in his church and community and never met a stranger. Gerald had a positive impact on everyone he met. The news of Gerald’s passing was gut wrenching. I had planned for the past few years to sit down with Gerald at the right time to let him know how proud I was to call him my cousin and friend. I regret that I never told him how I felt about him and the impact he had on myself and others. Gerald was a mentor and role model to many and definitely left a lasting legacy on this earth. Rest in Peace my friend!
