“ *Just found out about Gerry, we were in Florida. I really cared about her. We had many good times at the Holiday and then having lunch with her, Sally, Marilyn . I lost two good friends this year. God be with you.*

“ Condolences on the passing of a very special lady. I have many very fond memories of the years we worked together at the Holiday Inn. She was one of the hardest working people I know, no one could slow her down, and I'll always admire her spunk. She loved to brag about her family, and always had a story to tell, from her card games to her bingo wins, I always enjoyed our chats together....and she made some of the best strawberry jam I've ever had. Even though we've not worked together for a few years, I still think of her often. She will truly be missed.

“ To Beth and Family,
As I sit here trying to find the words to describe my memories of Gerry, I realize that in the 10 years I had the opportunity to work with her, there are just too many to pick out a few. She said so many funny things, told so many stories. She will be missed by so many and so many of those are who shared some of those 40 years with her at the hotel. My deepest condolences.
