“ I would like to send heartfelt condolences and prayers to you all. I was not close to uncle gerald, but he was my dad's brother. Bob is my dad, I know without a doubt he was loved and will be missed dearly. I am unable to make the funeral. I will be there in love and prayers. My heart goes out to you all. May God wrap his arms around you all and comfort you with the peace of knowing Gerald is smiling down from heaven. Lots of love, Tammy (sturgeon) Mayfield

“ Alberta and Family, I worked with Gerold at Jofco for a few years. Gerold was one of the hardest workers I have ever met, and was well respected by all co-workers. To me he was a personal friend, and someone I could talk to, if problems arose. Gerold was always there for his family, and anyone who would just ask. I liked him and will miss him a lot. Take care, we will pray for your family over your loss. Jack
