“ *Bert and family, so sorry to hear of Gib's passing. I loved fishing with Gib so my favorite memories are our many trips to Lake Weis together, especially the early years with Gene and Gerry. The thing I remember most is just about every day, after a long day fishing and then filling up on fish, potatoes etc., just Gib and I would make a drink and walk down to the dock and just talk. It was a perfect way to end the day. Take care. Sara and I will keep you in our prayers.*

“ *Our hearts go out to this family and to his daughter Nancy. We never met him, but after hearing so many warm stories Nancy would tell of him, we sure would have loved to have. He sounded like a good man and someone who would have been a pure pleasure to meet. May God speed to all of his family.*
