“ Donna, Chris, Brothers and Sister of Glen, I offer my deepest sympathies to you all, along with my personal thoughts and prays for you all. I just want you all to know that one of my greatest moment of life was to have Mr. Glen Schepers as a personal friend, a personal golfing buddy, a personal Patoka Lake fishing partner, as an evening camping card playing friend, and evening fire site chat partner for the past 35 to 40 year. Dr. Schepers was a person of many talents who had a heart of gold for all individuals. He definitely enjoyed life, life time activities, his family and friends. His contributions to this world were tremendous, for he gave freely of his talents and time to make this world a better place for us all. His passing is a shock, but I know he has many friends (fishing buddies) waiting for him in the eternal kingdom of heaven. As he joins these past fishing buddies, we ask him not to forget us who remain, and we ask Glen to shed his heavenly graces upon us all, as we continue to pray for him, remember him and ask God to reward him for all the remarkable thing he gave us all during his existence, with us all, on this planet earth. May God Bless him as he now enters his eternal kingdom of heaven.

*When I was at Purdue, Doc met me at his office to pull a Wisdom Tooth after hours on a Friday night. He left the Ranger basketball game to do this for me. Who does this? What a generous and genuine man. My deepest sympathies.*
