“ *Many battles on the golf course with Whitey. He never ever gave up! Often he would hole out with a long putt or chip in on me to take the hole. Great player and awesome guy.*

“ *I am shocked and extremely sad to hear of Glen's passing. Whitey was a good friend and an even better person. I played a lot of golf and cards with him back in the early to mid 80's when he was just a kid. Will always remember that laugh and smile and a respectful young man who always had time for everyone and anyone. He will truly be missed by many. RIP Whitey.*

“ So sorry to hear of Whitey’s passing. So many great memories of him at JCC and beyond. His smile and laugh would light up the room. His voice would carry forever on the course when something good happened and you could only laugh from afar.

A story I repeat often is when up at The “Hill Course” years ago, Whitey had a great round going and from several holes over you heard him proclaim that “God decided to play golf today and jumped in MY body!” I’ll remember that forever

Rest In Peace Whitey. You and God I’m sure will tee it up several times from here on out. Prayers to the Schroeder family.

God bless,
