“ *I've known Glenda's family since I was born. But I don't think I really knew Glenda until my daughter was in the Head Start program. She loved her job and the children she served. My daughter would come home and say Ms. Glenda did this or Ms. Glenda said that. She made a difference and that's something to be proud of her for. I haven't forgotten it!
Your all in my thoughts and prayers!*
