“ *Gloria was a fun loving person who enjoyed life. She was always ready to help family and friends. She was great at so many sports and realize she would have had records at JHS if there would have been a girl's program. The neighborhood croquet and softball games come to mind. Everyone wanted her on their team and The Seating Company didn't lose too many windows! There were some really good "Mill Street" games and memories. Gloria loved her nieces and nephews and shared her family news while wanting to hear about ours. Donna, Jim & Families know that Gloria will continue to send blessings your way.*

*I am so sorry to hear about Gloria. I am one of the crazy cousins from Oregon, and dearly loved our visits with Gloria, both in Indiana and in Oregon when she came out with Tootie. She and I talked fairly often online or via phone. Please know our love and prayers will be with your families at this time. We just lost our mom on the 15th of March, so there is definitely a "Marks" reunion in the works on the other side <3
