“ Makes me sad to hear the news of Greg's passing. Was a man's man. Remember him well from precious Blood School. Never said a bad word about anyone. Was a fantastic basketball player. Just a down right good person... R.I P. Greg... You will be missed

“ I am so sorry for your loss. I was fortunate enough to be in the audience and hear Greg speak when he was named a distinguished alum from JHS. His talk was entertaining and inspiring. I took away from it: 1) do anything for love and 2) take risks. Your clearly have lost a wonderful man. May your memories be of comfort and may he rest in well-deserved peace.

“ *Maria...I can not describe the heavy heart I have and feel now as I just found out about Whitey. There were many good times by all of us Dubois County guys in Tarkington Hall. And then there was the emptiness we all experienced with the loss of Lou Bretz in the Fall of 1974. Once again that can has been opened...and again an emptiness will be felt with the loss of Whitey. Whitey was a tremendous individual and will be missed by many. My deepest sympathy to you, Maria and your family.....Scott Sermersheim*
