“ *In these moments of loss, words seem useless, No time is a good time for death, those left here can only mourn to have been able to tell you bye, and that still doesn't help with closure. You were taken way to early. My friend, I know no one like you, you left (me) with good memories and laughs. A good heart has stopped beating, but the memories he left (us) remain forever. I will miss seeing you Greg. May God lift your soul to His kingdom!*
