“ *Dear Kathy, Joni, and Sue Jane,
It was such a shock to hear about Bud. Words can't even begin to express the deep sadness and sorrow we feel for all of you and your spouses and children. It doesn't seem possible that so much can happen in a family in such a short time.
When Donna called me, she also told me about Hube.
Please know that all of you are in our thoughts and prayers. There are many times I wish I lived closer to be with family that I love and want to be with; this is one of those times. I'm so sorry that we can't be with you in person to give you some support and sympathy during the visitation and funeral. We are always including the whole family in our prayers and rosaries and now a special prayer goes to Bud. All our love and prayers, Ann & Brian*
