Tribute Wall

“ Uncle Harold will be missed dearly. He was a wonderful man whom I have many fond memories of over the years. I still remember a picture in my head of Harold holding my young daughter Molly's hand and leading her down the hill to the pond, talking back and forth and Harold giving her all the details about the farm. The walnuts, seems like Harold was always shelling walnuts! Love you and will miss you! All my love and prayers to you Aunt Gerry.

“ Grandpa, you will be missed, never forgotten. I will be sure to have things done "the right way, his way". I catch my self being just like him in that manner. Just wished you would have stuck around long enough to tell me how to make a garden the right way. Love Jason
