“ *Condolences to Helen's family. Your mother was definitely a firecracker. She will certainly be missed.*

“ *God must have needed a special angel, so He chose Helen. So thankful that she went to Heaven without suffering.*

*Helen was so good about keeping in touch with family. The long physical distance between us did not sway her (and Louie) from travelling to visit. And, never did they show up without bearing gifts...whether it be pecans already shelled, fresh garden produce, homemade salsa or jam, etc.*

*Helen made special efforts in loving my mother, Cora. One special memory: As Mom's health declined, she and Louie came to our home with his guitar because Helen knew his music would bring some joy to Mom.*

*Helen could always make me laugh. There's a big hole in my heart in the loss of my sweet cousin.*

*Praying that God will grant the family and those that love her some peace and stength during this sad time.*

ME

*“ Even though Helen was my Mother-in-law for almost 23 years, she was much more than that. She was the big sister I never had, and my best friend. She was always free with advice, and you always knew where you stood with her. She had a great sense of humor, and looked after everyone like a mother hen. Some of my favorite memories are the many hours of family Uno games around the kitchen table. Helen would get so tickled playing that game. One thing is sure, whatever she did, she always did it out of love for her family, whether people understood it or not. She loved her family. She will be missed greatly.*

*“ I spent as much time at Helen’s house as a kid/teenager as I did my own. She treated me as her own and that included her telling me exactly what she thought about anything especially if it was something me and Mandy were about to do which was often. She was always so welcoming and did give great advice. Mandy, Lani and Louis my heart hurts for each of you. We lost an amazing woman. My thoughts and prayers are with each of you.*

*To a very, very dear cousin whom I laughed, cried, joked and prayed with. I will so miss our Sunday night calls that helped pep me up for the week. I remember the things we laughed about. Helen, I loved you dearly, and was so honored that by you being named after me. You have been taken away to soon. I will meet you in heaven where we can once laugh and and talk but never to cry again. We will not be separated by accidents and sadness. Helen Mullins*

“ *Helen was always thoughtful and loved each and every one of us. I'll never forget the time that Helen and Louis brought me Guinea fowl as a gift five or six years back. It was always something that I wanted and she told me stories about them when she was a kid. I loved those birds because they were a heart felt gift. There will always be a special place in my heart for her and she will be deeply missed.*
