“ *As I was growing up, visits to Aunt Hilda's house were made at various holidays each year and were always warm and full of joy and energy. She made us feel genuinely welcome and loved. I know that she was an extra special mom because Billy and Bobby, as they were known to me then, were extra supportive of their much younger and goofy, to be sure, cousin, which would be me. I always knew they had my back, a comfort of such importance they likely could not have known. Thank you, Aunt Hilda, for instilling in them that most important of qualities, compassion, and the commitment to follow-up with action. Donna and Jean, too, were warm and caring as well, appearing to me as older sisters, an important extended family for an oldest child, such as I. Thank you, again, Aunt Hilda. I am certain that everyone who shared even a small part of life with this special lady was similarly touched by her kindness and energy. That will be sorely missed in this world and merits my deepest sympathy for all of her family and friends.*

“ *My mother is in GS where Hilda was...I always had conversations with her..she was a sweet lady always smiled and laughed with me...my sympathies to her family and all who loved her...*

The smell of certain foods you remember. Flowers you pick, the fragrance of the soil. She's the cool hand on your knee when you're not feeling well. She's your breath in the air on a cold winter's day. She is the sound of the rain that lets you to sleep. The colors of a rainbow she is Christmas morning. Your mother runs inside your laughter. She's the smile you came from your first home and she's the map you follow with every step you take. She's your first love, your first friend even your first enemy. But nothing on earth can separate you not time, not space... not even death!

“ *Hilda was one of a kind. I couldn't have chosen a more loving mother in law. We held a special bond, this I know. One of our crazy adventures included a fun night out with her favorite singer, Daniel O'Donnell. What a hoot! I was the youngest fan at the concert while Hilda fit right in with the age group :)*

I will never forget you, "Little Missy" - LOVE YOU beyond words. Until we meet again....

*Your favorite daughter-in-law,
Kathy*
