“ When I could not get my daughter to sleep in her bed I called Ida Mae and she walked me through what to do. Listened to me cry on the phone as I could not stand to hear Bre cry. When I needed advice on my brother again Ida Mae gave me advice to deal with the situation. When I had to navigate the VA and social security process again Ida Mae shared her experiences and wisdom with me. She was much loved and will be sorely missed. Prayers and love to the entire Welp clan!
