“ Our sincere condolences on your loss. I only met Jack recently when he was on the 5th floor of Memorial Hospital. He was such a positive person and while I knew he was struggling, he definitely had a good spirit and friendly demeanor. He will surely be missed, but cherish and remember the great times together.

“ We at the Marina will really miss Jack. Each day he fished he stopped in and rested before and after his time on the lake and his fish stories and sense of humor kept us entertained. I personally had some time fishing with Jack and really enjoyed that time. So sorry for your loss. Jim Behrman
