“ Darlene and Carol, just heard about the passing of your brother Jim. I send my sympathy across the wires and hope you are doing well. Your family is in my prayers. Deb (Stetter) Starrs

“ Probably over 20 years ago I took a Lincoln rocker that my family had owned since before I was born to Mr Buechlein. I asked him to restore it to its original beauty and to please "sand out" a spot where I, as a child, had put bite marks on the chair arm. When I picked up the chair from him it looked--and still looks--fabulous! When he brought it out to me he said he simply could not bring himself to remove the bite mark. At first I was disappointed, as I wanted the chair to be perfect, but as the years have gone by I now understand why he left that "memory" of my childhood. I will always think of that and of him when I see my beautiful Lincoln rocker.

“ I have to say Jim is my oldest friend. I have known him my whole life. We've had some great memories together. Every time we would talk he could not stop talking about his family. I've heard story after story about his kids and how much he loved them. He always told me how lucky he was to have Judy as a wife. He loved the work he did. He was always happy to reopen the shop or go back to it. The last conversation we had was a few weeks back about how to play the guitar by just using bar chords. He was very proud of the work he did on furniture and at the church. I will miss these talks. He rest in peace.
