“ *Dear Jim, David and Family, I was a big fan of your Dad. He hired me in the Service Department at Faul Oldsmobile in the summer of '89. As a high school student, working around cars was a dream job for me – he noticed. I was just a car jockey, but he never spoke down to me. He insisted that I address him as Jim, not as Mr. Striegel. He was a respectful and kind man, and for those who listened, he was funny – I noticed. Jim believed in me, evidenced by the job opportunities he provided, experiences that have contributed to many of my successes. In the following years I would see Jim during my return trips home to Hoffman Estates, often at St. Hubert's Mass where he volunteered as an Usher. Those brief moments would come and go, but they were a highlight of mine. He as a great man. I am proud to have known him.*

“ *We met Jim two years ago through the internet when I saw my family's sir name Striegel. It was hard to believe Jim was a distant relative who took time to explain to us our family's genealogy. After fifty years of moving through several states, not knowing the story of the family, we are so grateful to have known Jim and so very sorry to hear about his passing. May he rest in peace.*

“ Dear Jim and David and family, Jim was a friend of mine since 1978 when we met at Faul Olds in Schaumburg. We became close friends and went to lunch everyday for 10 years. We spent time together on many of the dealer trips and invited him to Thanksgiving dinners with my family for several years before he moved to Florida. He was the nicest man and best buddy anyone could have. I got to see him for the last time when he came up in the spring. I will never forget his knowledge of autos and the car business. Our family is sad and our thoughts and prayers are with all of you. With Loving Memories. Glen and Kathy Halverson and Family

“ *Rest in peace and pray for us, brother! Thanks to the Lord for giving us 82 years of a wonderful son, husband, father, grandfather, brother, cousin and friend. Jim was blessed with an amazing memory from early childhood through his final days. Many of those memories are recorded in a Striegel Family History book that he created from extensive research, personal experiences, and family-provided stories. Lord, help us to believe in your Son and join Jim and all saints in eternal happiness.*
