“ *Mr. Casey was my math teacher in elementary school and later in high school. He was my parents teacher and then mine. He also knew my grandparents. Mr. Casey was one of the finest human beings I have ever had the pleasure of knowing. Thank you for believing in me and for making me smarter, I will always remember you. Rest in peace. Best teacher in East Chicago.*

“ On behalf of the Jasper Duplicate Bridge Club I want to extend our sincere condolences to the James Casey family. We always knew him as "Jim". It was a pleasure to have him at our bridge club and he was missed when he was no longer able to play. I played with him the last time he played and we came in first. He was delighted that we beat all those "Life Masters." He shared his garden produce with us whether it was starts, flowers, okra or other veggies. He was a real gentleman. We will be making a charitable donation in his memory..
