“ I met Jim when I had to stay at the St. Charles Health care Campus. He was always in a good mood. They would come to our room and we would almost have to shit the door cause we were so loud. We had some really good belly laughs. Especially when he and his side kick Tom did the BANANA Trick! God bless his family and I'll c u when I get there with you. Love Jo Ann

“ *When I was working at St. Charles, James went on every bus site seeing trip he could. Always sat up in the first seat and enjoyed just cruising around the country side. But the best trip we ever took together was the Live A Dream trip to Indianapolis. I was so very proud to fulfill his dream of taking a helicopter ride over Indianapolis. James, his 2 sons Rick, Randy and myself all had a great memory making time. You meant a lot to me James and I'll never forget you~ Thanks for the memories Bonnie*

Jim was a great good man and a great friend. He and I worked together at Prides Creek Golf Course for 11 years. He taught me everything I know about taking care of greens, fairways, sprinkler systems mowing and general maintenance. A very quiet and unassuming person, but always reliable. RIP my friend.
