“ So sorry to hear of Uncle Jim's passing. I was honored to have him as my Godfather. Although we haven't really been in touch since mom's passing and living out of state, I have fond memories of Ireland Sportsman's Club picnics and the clanging of horseshoes, watching the big poker game at the Bachman Christmas parties, and some vague ones of living across the Celestine highway. Unfortunately we will not be able to make the funeral, but we will be there in spirit. We will make it a point to say a special prayer and have a good thought. You all have our deepest sympathies!
