“ Jim was a very special man. I married his former son-in-law, Rick, and in the time I have known Jim, he welcomed me into his home for family Thanksgiving celebrations each year. I wasn't sure if it was just because he was being nice or because he loved the snacks I brought with me! I will forever remember his kindness. RIP Jim!

Your snacks comment made me chuckle! 😊 My mom said she'd always see him in the last pew at church, where she also sits, and always said hi and smiled! ❤️

“ My Uncle was a special man. He was a fun Uncle and we have great memories of him playing with us when we were little. He was a man of strong faith. He will be greatly missed by his family and friends. Love you, Uncle Jim

“ I can't fit nearly enough memories into a single comment; that in itself is a testament to the man my grandfather was. I can however express how this man was one of the cornerstones of the man I am now. I cannot thank god enough for bringing James Frederick aul into this world, and that god has gained one of the elite to his army. I love you grandpa. We will meet again and perhaps I will finally catch that first fish!
