“ *My heart and prayers go out to Ruth and her family during this sad time. Jim was always there for his family to help out in any way he could. I know his support and love will be missed very much! I know that I will miss seeing him in the neighborhood giving me quick wave hello or having small talk about this and that when seeing each other. May the good Lord bring comfort and peace to his loved ones and for them to cherish the memories they've made through the years. God Bless!*
