“ I am still heart sick from hearing of Jim's surprise passing. I am so grateful to have had the opportunity to have gotten to know Jim here in FL over the past few years. My mom Vivi-Ann shared that same joy, but she too has sadly passed on recently. Sending all of you heart felt condolences. Know that Jim will never be forgotten...

“ My condolences to family and friends of Jim. Had the opportunity to reconnect with him for a cousins reunion in Huntsville and a visit in St Pete's. At the reunion he was insistent on giving me one of his hats. Jim had his father's personality and reminded me of my Uncle Bill. He will be missed by all who were lucky to have crossed his path. Love to all, Kevin and Robina Lindsay

“ We are so sorry about Jim's passing. He loved so many, and so many loved him. He would always end his visits with "I love you." He expressed his love for his family, continuously. Always expressing his love for Mary Ann and how he missed her so.

We were always puzzled as to why he moved to Florida and away from his family. During the past year, he shared the reason. Before he moved, his children were beginning to take care of him in various ways. He moved to Florida, so as not to be a burden. Another expression of his love for them.

We always enjoyed his Huntsville visits as he traveled back and forth between Florida and Jasper. We would share family stories from the past and the present. Good memories.

Jim and Mile Lindsay were the ramrods behind the Lindsay Cousins Reunions. Mike was the organizer and facilitator. Jim was always pushing Mike to have the next one as soon as possible. He loved the family and he loved reunions.

He will be missed by so many,

We pray for the family's peace, comfort, patience, endurance, and faith during this difficult time.
