“ Jim was a big scary dude when I was a young 4Her..... but he saw in me a non quitter and someone who wanted to learn like a sponge. He taught me the CORRECT way to clip a horse and slip on a bridle. To this day I use the skills he taught me and the confidence he instilled in me. I try to share a few of those things with the non quitters and sponges i have encountered in my tenure as a 4H leader. Thank you Jim seems inadequate. Hugs and Love to Wanda, Chris, Greg, Jeff and the entire family. Bet Ole Dudly was waiting to take him home... 🐶
