“ Tomorrow would of been another birthday I'd be lucky to spend speaking with you, watching the race, sharing a meal and going to run some random errands in mostly silence.

Unfortunately, instead- tomorrow will be another year to visit where you lay. A day where I share my forever thanks and memories for your friendship, kindness, grandfather likeness that I sure do miss. Kiddos are doing great and I pray for yours. Love you, see you when I get up there someday.

I'm sorry I was so rude to you. I was jealous that you saw my dad more than me. I hope you find it in your heart to forgive me.
