“ *My thoughts and prayers for you and your family. A dear cousin passed in Tell City. Just two weeks ago, we also buried her niece whom was only 42 years old. I one year ago lost both my Aunt and Grandmother within two weeks at this same time. It will be one year but my heart goes out to your family and know God will comfort you during this loss. There are no words to take away the loss nor pain other than faith in God and hope for the blessings and memories that you share with your loved one.*

“ I met Janel at work (prologis) about 3 years ago. The first time I met her she did not know who I was but she greeted me like we were the best of Friends. Her smile would just intoxicate you. Every time I came back to the office it would be like I met her for the first time. Friendly would be an understatement. I was not aware of her circumstances at that time nor could you tell anything was troubling her. It was a sad day when they had to let her go from prologis due to there cut backs. I had talked to her a couple of times on the phone when she was having water issues at her home. Until about 2 months ago I was informed by her sister (kim) about the setback on her condition. I ask if I could go to see her and Kim said that would be fine. I unfortuntley did not make the time which I truly regret. I will miss that great smile as well as her attitude she had and I wish she could of bottled it and gave it to people who need it. My condolences to her parent as well as Kim and the rest of the family. God bless you all. FHA
