“ My thought, prayers, and condolences are with all of Janet's family. We share one of the most wonderful granddaughters (Alyssa), that any woman could ever have been blessed with... I had that with her.....she loved much....I can only imagine how beautiful she is now, and how very happy she is being reunited with Fred and Tammy...she lives on in those who loved her.....

“ My deepest condolences to the family & friends. Janet was one of the most unselfish women I have ever met. She was a wonderful person with complete and utter devotion to her family. We could all honor her by taking some time out of our "too busy" lives and appreciate our families and friends while we can. I know she is pain free and dancing around with Fred & Tammy again. Happy again. RIP Janet.
