“ Thought about Janet last week when the Frog Follies were going on down in Evansville. She got me to go with her several years ago, didn't know what it was all about, but enjoyed looking at all those old cars. Was enjoying it until a storm came up real fast and everyone ran for shelter. We got to the car and drove away from that bad storm. Will never forget that. Will miss Janet, but she has gone through a lot. RIP Janet.
