“ *Jon & Andrew, my heart goes out to you as I know how special your Grandma Janice was to you. You were pretty special to her too. I am so glad you both lived so close to her these last several years so you could visit and she could meet Hadley and Christian. Your dad would be so proud of how close you two were with her. You will always have the memories to comfort you. Love, Aunt Pude (Carolyn)*

“ *Janice was a dear friend and partner in many projects and adventures. We always had a delightful experience together. She and Sherri introduced me to the adventure of auction sales. She and Harold were always there when I needed support or assistance. She was the definition of a true friend. I miss her!*
