“ I am so sorry for your loss. Janice was a beautiful person, whom I always looked forward to seeing when we would come back to Jasper to visit. I wish I could have lived closer to share more of her life. I know we would have been even closer cousins had we grown up together. May you find peace in knowing that nobody can take away your decades of memories, those will be yours to put under your pillow at night to help you drift off to sleep.

“ Dear Mark, Ross & Amanda: We are so sorry for the loss of Janice, our former neighbor. I remember the day she was born and the many times we shared together in her early years. She was always so special to us and our children. We were praying for her recovery every day, however it was not to be. May she now be in the arms of God and eternally happy. We will continue to pray for you at this difficult time.

“ Every time I visited with Janice over these last few months, I went away inspired. Her grace and strength amazed me. I would go home and vow to myself to try harder to improve myself. I have never known a braver more selfless person. I know I will be a better person for having had the experience of knowing and loving her.

“ Dear Mark & Family, There are no words for your HUGE loss. We think of you often and will remember you in our prayers. We also know there will be many flowers, and wanted to remember Janice and yourself in a different way. A Memory Lamp will arrive in a few weeks, the one we chose is on back order. Please know we will continue to fight this horrible disease with Janice and so many others in mind. Hang in there Buddy, hold tight your memories, for they will keep her close in your heart. Love, Tony, Michael, Gena, John & Antonette, your friends at Aspen Transportation.
