“ Thank you Jeff for your love in this world. You changed lives and made an impact by consciously living. For those that even so much as brushed by your path, you left it greater than it was found. That in itself is the measure of greatness. Well done sir.

“ Jeff was simply a righteous dude. He was the kind of person you could meet as a stranger on the street and end up having drinks and parting as friends with a promise to help you move the next weekend. And he'd be there. My condolences to all of his family by blood and by love. He will be missed greatly but not forgotten.
