“ *Jenny Butler. I remember you as Grandma Butler - a loving human being. I know you had a strong faith, and you really lived and portrayed what I feel to be the true ideal Christian love. I remember your food from the garden and kind words and advice. I remember how sweet you were to me every time I saw you and how you always made me feel loved and cared for even though I was not your child. I felt comfortable around you and your kindness, warmth, and grounded presence always put me at ease. May your spirit be at peace, you beautiful woman.*
