“ Dear Delores & kids,
So sorry to hear of Jerry's death. Sounds like he went very peacefully? He & daddy (Jim) had a special bond. What a difference in length of their lives (39 yr to 101 yrs!). Perhaps now Delores can concentrate on herself & hopefully will have many more quality years ahead. It's great to connect with several of you over coffee when I breeze into Jasper for a few days to visit with mom. She will be 95 this May.
I am thinking of you all during this time. Take care!

“ Habig family, I am so sorry to hear of the passing of your Dad/Grandfather. Jerry always made me feel so welcome when he came into Mark's office. He was such a joy to be around. I remember him talking to me about his trips to Florida and his looking forward to his many bridge games while he was there. My heart is with you as you go thru the next few trying days. But he is finally at rest and I am sure he is back to playing bridge again as he can finally see again. Love and prayers to all. Lori
