“ We had the best time going to French Lick. Jerome loved to play the machines. Thank goodness he asked me to take him, Sisters Joan and Rita one day last fall. Joan helped him with each machine since his eye sight was not so good. If he wasn't winning after a few times they would move after a few choice words were expressed. Then he would tell me how how his wife Joan was so lucky and always won! 🍀💕 So I have no doubt what those 2 are doing right now as we speak, you guessed it off to the big casino in the sky! LOL How they both enjoyed life, always smiling.
I told Jerome I would take him anytime to French Lick. We could become an item. His neighbors might talk but that is okay, his nephew would understand😬 He just laughed. It was such a fun time with all. He will be missed ❤️❤️
